Dear 6th Grade Parent/Guardian,

In 7th grade students have the choice of studying either French or Spanish as a world language. Additionally, native/heritage Spanish-speaking students who wish to improve their Spanish will develop literacy skills in the Hispanohablantes class.

The Middle School World Languages program is a **two-year** program. **Therefore, once enrolled in one language, students will remain with the same language for both 7th and 8th grades.** The 8th grade course expands upon the skills learned in 7th grade. The units studied are the same in both French and Spanish. Students in the Fundamentals and Hispanohablantes courses have class every other day. Students in the Honors course have class every day and, therefore, do not have tutorial. The criteria for honors are an A average in English and a recommendation from the English teacher.

Please discuss the language choices with your child. If your child already speaks Spanish or French, you may wish to choose the other language so your child can learn a new language and culture. We welcome your response digitally at <https://goo.gl/forms/LUt8ENHut6Eywcqs2> or you may complete the form below by hand and return it to your child's homeroom teacher by **April 25, 2018**. If you have questions I can be reached at schreinm@eht.k12.nj.us or 609-653-0100 ext. 1696.

Sincerely,

Michele Schreiner, Ed.D.

Supervisor of World Languages and ESL
