

# Egg Harbor Township Schools

We are extremely excited to announce that this summer we will have required summer reading for all middle school students. Research shows that reading over the summer reduces summer slide and promotes academic success throughout the school year. Students have spent the year in reading workshop and to continue to foster that love of reading, we want students to choose a “just right” book to read over the summer. The librarians and reading specialists are helping prepare students throughout May and June to find that “just right” book. We will have books for sale at reduced cost (ranging from \$5.00-13.00) and also work with the county library to ensure all students can find a perfect book to read.

Students will complete one assignment to accompany their book. The assignments are all activities and strategies the students have practiced throughout the year, and will help the students continue to implement and master reading strategies.

We ask that you and your child complete the bottom portion of this form together and return to your student’s ELA teacher no later than June 14th. More details about your student’s trip to the library and availability to purchase books will come from the individual teachers. If you have any questions, please contact Lily Moss, Supervisor of ELA, K-12, [moss1@eht.k12.nj.us](mailto:moss1@eht.k12.nj.us) or 609-653-0100 ext. 1617. Thank you for your support.

## 5th into 6th Grade - Summer Reading

Choose any “just right” book and complete either the Think Mark or Book Talk assignment. You are **REQUIRED** to read at least one book and complete at least one assignment. For every additional book and assignment completed, you will receive extra credit and a special celebration for your reading accomplishments.

**THINK MARK:** Choose 5 “Think Marks” to use to respond as you read. Each response should explain why you chose that Think Mark, give the page number and textual evidence to support your thinking. You can either type or handwrite your responses.

## SAMPLE

**Book Title: Wonder**

**Think Mark/page #: I made a Connection pg. 301**

On page 301 Mr. Tushman says, "If every person in this room made it a rule that wherever you are, whenever you can, you will try to act a little kinder than is necessary-the world really would be a better place. And if you do this, if you act a little kinder than necessary, someone else, somewhere, someday, may recognize in you, every single one of you, the face of God." I connected with this because last year there was a kid on the bus who was making fun of another kid. That kid was really upset. One day, I asked him if he wanted to sit with me and then the other kid didn't make fun of him. It made me realize that being nice stopped the other kid from being mean and that was very powerful.

OR

# **Book Talk - students will write and speak.**

## **See samples below**

Students must come to school with a written Book Talk (see samples below) and be prepared to present the spoken version or they may create a video to present the book talk. The written portion of the Book Talk must be one complete paragraph and the spoken or video presentation must be at least one, but no more than three minutes long. Book talks should have a hook to grab attention and include characters, setting and the main conflict, but should not give away the ending. Book talks should make the audience want to read the book!
